SECURITY

SECURITY

A large, stylized blue line drawing of a bird in flight, facing right. The bird's wings are spread wide, with numerous curved lines representing feathers. The tail is also detailed with curved lines. The entire illustration is composed of thin blue outlines on a white background.

Be secured, be assured

ABOUT US

Falcon Security, an Iraqi-owned and operated private security company, has been serving government entities, international organizations, and private sector firms in Iraq since 2004. Our unique distinction lies in being one of the few security companies registered to operate in both Federal Iraq and the Kurdistan Region of Iraq (KRG). This distinctive position allows us to provide seamless services, offering unparalleled ease in transportation.

Our strategically placed Operations Centers in Baghdad and Erbil serve as hubs for command and control while also managing life support, vehicle storage, maintenance, logistical as well as administrative support offices.

Baghdad: Our central office in Baghdad enables efficient coordination of security services across Iraq.

Erbil: Located at Empire World, Empire Business Complex, our Erbil office is minutes away from Erbil International Airport, providing a conveniently accessible base of operations.

OUR MISSION, VISION & VALUES

Mission: We provide unparalleled security solutions, safeguarding our clients, their assets and their interests in Iraq, maintaining professionalism, integrity, and reliability.

Vision: We aim to be the leading security provider in Iraq, setting the benchmark for excellence in the industry and recognized as the gold standard in security services.

Values: Security Excellence, Integrity, Client Focus, People and Partnerships, Safety and Security, Innovation and Adaptability, Continuous Improvement, Teamwork, Accountability.

OUR SERVICES

Falcon Security provides a wide range of services, including mobile and static security, armed protection teams, access control point security, risk assessments, security consulting, technical solutions, local staff vetting, and procurement/logistical support.

Falcon Security is committed to meeting our clients' unique needs. We provide tailored services that prioritize discretion while protecting our clients and assets in all environments.

A man in a dark suit and sunglasses is seen from the back, holding a mobile phone to his ear. The background is a blurred outdoor setting with greenery and a dark vehicle.

RESOURCES, FLEXIBILITY & SPECIALIZED FACILITIES

Falcon Security maintains the logistical and material resources required to support normal intake and short-notice requirements for all types of security missions. Falcon Security has optimized the onboarding and training of personnel, we have surged to 800 security personnel in the past to meet the needs of contract demands.

Specialized Facilities include:

- Fully equipped 24/7 Operations Center ensuring seamless management, coordination and communication throughout our operations.
- Vehicle, weapons & ammunition and equipment storage.
- State-of-the-art training complex & driver training arena ensuring comprehensive training across all spectrums.
- Training sites and a shooting range in Baghdad and Erbil governorates, and these sites are licensed by the Ministry of Interior.
- Car wash and exclusive fuel station serving our operational vehicles, ensuring reliability and uninterrupted performance. All diesel and petrol undergo independent laboratory testing before acceptance, reflecting our commitment to stringent quality control.
- 24/7 In-house Vehicle Maintenance Section staffed with qualified mechanics and an extensive inventory of vehicle parts, we ensure optimal maintenance and management of our fleet, guaranteeing uninterrupted performance and reliability.

MANAGEMENT STRUCTURE & PERSONNEL

Falcon Security is led by a team of experienced retired military personnel who uphold superior corporate standards and extensive expertise in high-risk transport and security. Our management and administrative support teams are strategically positioned to ensure uninterrupted delivery of services.

This management team works in synergy with highly trained local nationals, resulting in a combination of global expertise and local know-how.

The background of the slide is a grayscale photograph of a person from behind, wearing a dark jacket with the word "SECURITY" printed in large, white, capital letters on the back. The person is standing in an outdoor setting with some structures and a vehicle visible in the background. A dark blue horizontal band is overlaid across the middle of the image, containing a quote and a large opening quotation mark on the left.

“

We carefully recruit and train local personnel with a vested interest in their community and the development of Iraq. The combination of international expertise and local understanding is a cornerstone of our success.

SECURITY
